Additional Backup Information

This contract is for the supply of automotive repair parts for the City's fleet of light-duty vehicles. The parts to be provided under this contract are after-market automotive repair parts that will be used to repair and maintain all makes and models of light-duty vehicles in the City's fleet. The repair parts will be ordered on an as-needed basis.

The Purchasing Office conducted an analysis to determine that the General Parts Distribution LLC, US Communities Government Purchasing Alliance (GPA) contract was the best value to the City. This contract will provide discounts ranging from 5% to 66% off retail price for the entire contract term. With eight locations within 30 miles of the State Capitol, General Parts Distribution LLC offers volume discount pricing, products that fully meet the needs of the City, and the earliest delivery of repair parts.

This contract is the result of a competitive bid awarded by the U.S. Communities GPA. The cooperative purchasing program was established as a state structure for local government agencies to make use of their collective purchasing power and is authorized under the provisions of the Interlocal Cooperation Act, Chapter 791, Texas Government Code.
